Welcome to 1st for Gascony

Welcome to our site about Gascony (Gascogne)! We hope you will appreciate this beautiful part of South West France – partly in the Midi-Pyrenees. Love it so much that you will want to live here. We would be delighted to show you around Gascony and help you buy a Gascony property here.

Gascons love its *douceur de vivre* ("sweetness of life"): its food (it is home to foie gras and Armagnac brandy), its medieval towns and villages locally called bastides nestled amidst green rolling hills, its sunny weather, the beauty of its landscape, with the occasional distant views of the Pyrenees mountain range, all contribute to the popularity of Gascony as a tourist destination and an area for French holiday properties in Gascony.
